

COMPETITIVE BID #WG22-55 - Award Listing

Provision of Annual Traffic Signal Repair

Effective: August 16, 2022 through August 16, 2023

BIDDER: Bagby & Russell Electric Company, Inc.

Roadway Lighting/Electrical Parts

Item Number and Description	Amount Bid (USD)	Unit of Measure
1. Ballast Kit / Driver	150.00	each
2. HPS Lamp	150.00	each
3. HPS Fixture (arm mounted luminaire)	175.00	each
4. LED Fixture (arm mounted luminaire)	175.00	each
5. Mounting Luminaire Arm to Metal Pole	1,300.00	each
6. Mounting Luminaire Arm to Wood Pole	1,300.00	each
7. Reset Existing Luminaire Arm on Metal Pole	1,500.00	each
8. Reset Existing Luminaire Arm on Wood Pole	1,500.00	each
9. Pole Base Fuse	50.00	each
10. Surge Arrester or Fuse Holder	50.00	each
11. Replacement Tray Cable	200.00	each
12. Circuit Breakers	100.00	each
13. Contactor	200.00	each
14. Photo Cell	150.00	each
15. Lighting Control Center Interior	2,000.00	each
16. Control Transformer	150.00	each
17. Type 1 Junction Box (13" x 24")	600.00	each
18. Type 1 Junction Box (24"x 24")	1,250.00	each
19. Type 2 Junction Box	500.00	each
20. Electrical Service	1,300.00	each

Poles

21. Install Pole 20 ft or less on Foundation (Item supplied by County)	975.00	each
22. Install Pole between >20 ft to 50 ft on Foundation (Item supplied by County)	1,500.00	each
23. Install Mast Arm to Pole (Item supplied by County)	1,200.00	each
24. Remove Pole (Item Returned to County)	1,200.00	each
25. Remove Mast Arm from Pole (Item Returned to County)	1,500.00	each
26. Install Wood Pole (buried)(Item supplied by County - Typically 35 ft class 3)	1,200.00	each
27. Install Concrete pole (buried) 20ft to 50ft (Item Supplied by County)	7,800.00	each
28. Install Concrete Pole (buried) >50ft to 120ft (Item Supplied by County)	32,500.00	each

Traffic Signal Components

29. Set and Wire Pole Mounted Cabinet	1,000.00	each
30. Set and Wire Ground Mounted Cabinet	1,000.00	each
31. Set and Wire Traffic Signal Head (3-section)	400.00	each
32. Set and Wire Traffic Signal Head (4-section)	400.00	each
33. Set and Wire Traffic Signal Head (5-section)	400.00	each
34. Set and Wire School Flasher (ground mount)	650.00	each
35. Set and Wire School Flasher (aerial)	800.00	each
36. Set and Wire Pedestrian Signal Head (Includes Pedestrian Button)	650.00	each
37. Set and Wire Flashing Beacon (ground mount)	650.00	each
38. Set and Wire Flashing Beacon (aerial)	800.00	each

COMPETITIVE BID #WG22-55 - Award Listing

Provision of Annual Traffic Signal Repair

Effective: August 16, 2022 through August 16, 2023

BIDDER: Bagby & Russell Electric Company, Inc.

Roadway Lighting/Electrical Parts

Item Number and Description	Amount Bid (USD)	Unit of Measure
39. Set Span Wire Assembly (aerial pole to pole) (County will supply clamps, wire(s) - messenger, and/or signal, and/or detector)	15.00	per ft
40. Install runs of 3 - #6 USE/CU Wire (aerial) (County will supply wire)	15.00	per ft
41. Install (pull) runs of wire in conduit (County will supply wire)	15.00	per ft
42. Traffic Signal Loop (std. 6'x 50') (Linear foot, saw cut) (Contractor to supply all materials)	15.00	per ft
43. Traffic Counter Loop (std. 6' x 6') (Linear foot, saw cut) (Contractor to supply all materials)	15.00	per ft
44. Loop Lead-In (Linear foot, saw cut) (Contractor to supply all materials)	15.00	per ft
45. Loop Home Run (Linear foot, buried cable) (Contractor to supply all materials)	15.00	per ft
46. Set and Wire Video Detector (County to supply video detector parts)	600.00	each
47. Set and Wire Radar Detector (Supplied by County)	600.00	each

Conduit

48. Conduit Above Ground 2" or less	30.00	per ft
49. Conduit Under Ground 2" or less	20.00	per ft
50. Directional Bore 2" (Contractor to include HDPE casing)	47.00	per ft
51. Directional Bore 4" (Contractor to include HDPE casing)	78.00	per ft
52. Directional Bore 6" (Contractor to include HDPE casing)	115.00	per ft
53. Open Cut, Concrete Encasement 4" Pipe (Contractor to include HDPE casing)	100.00	per ft
54. Open Cut, Concrete Encasement 6" Pipe (Contractor to include HDPE casing)	128.00	per ft

Concrete Work

55. Traffic Signal Pole Foundation Installed (County to supply the anchor bolts and template only)	3,000.00	cu. yd.
56. Traffic Controller Pad Foundation Installed (County to supply the template only)	1,500.00	cu. yd.
57. Roadway Lighting Pole Foundation Installed (County to supply the anchor bolts and template only)	3,000.00	cu. yd.
58. Traffic/ Roadway Pole Concrete Removal (Removal to be 2 feet below existing ground)	2,000.00	cu. yd.
59. Miscellaneous Concrete Installed (3 cubic yards or less) (County to direct location. This is for various intersection work)	3,500.00	cu. yd.
60. Traffic Controller Pad Concrete Removal (Removal of complete pad)	2,000.00	cu. yd.
61. Miscellaneous Concrete Removal (County to direct location. This is for various intersection work)	2,000.00	cu. yd.
62. 6" Core Drilling Concrete/Asphalt	275.00	per inch
63. 8" Core Drilling Concrete/Asphalt	375.00	per inch

Traffic Control Device Removal

64. Pole Mounted Cabinet	800.00	each
65. Ground Mounted Cabinet	800.00	each

COMPETITIVE BID #WG22-55 - Award Listing

Provision of Annual Traffic Signal Repair

Effective: August 16, 2022 through August 16, 2023

BIDDER: Bagby & Russell Electric Company, Inc.**Roadway Lighting/Electrical Parts**

Item Number and Description	Amount Bid (USD)	Unit of Measure
66. Traffic Signal Head (3-section)	300.00	each
67. Traffic Signal Head (4-section)	300.00	each
68. Traffic Signal Head (5-section)	300.00	each
69. School Flasher (ground mount)	500.00	each
70. School Flasher (aerial)	600.00	each
71. Pedestrian Signal Head	200.00	each
72. Luminaire Arm	1,000.00	each
73. Flashing Beacon (ground mount)	400.00	each
74. Flashing Beacon (aerial)	500.00	each
75. Remove Span Wire Assembly (aerial pole to pole)	500.00	each

Additional Services

76. Install Miscellaneous Cabinet Components (County to supply components, i.e. relays, detectors, flashers, video/wireless panels, controller, conflict monitor, etc.)	1,000.00	each
77. Install Miscellaneous Aerial Components (County to supply components, i.e. bulbs, visors, signs, brackets, etc.)	450.00	each
78. Service Call (2 hour Response Time) for normal business hours Monday to Friday 6am to 6pm (Items to include, but not limited to, diagnostic and/or service of: Traffic Controller, Detectors, Power Supply, Cabinet Components, Aerial Components, etc.)	300.00	per hour
79. Service Call (2 hour Response Time) for Monday to Friday 6pm to 6am, non-planned weekend event or holiday (Items to include, but not limited to, diagnostic and/or service of: Traffic Controller, Detectors, Power Supply, Cabinet Components, Aerial Components, etc.)	450.00	per hour
80. 55' Bucket Truck Service (Includes Operator)	300.00	per hour
81. Auger Truck Service (Includes Operator)	350.00	per hour
