## II. LIMITS OF INSURANCE AND DEDUCTIBLE

### A. Limits of Insurance

- 1) The Limits of Insurance shown on the Declarations, or as amended by endorsement, and the rules below fix the most the Insurer will pay regardless of the number of **insureds**, **claims**, **pollution conditions**, **emergency response expense** or persons or organizations making **claims**.
- 2) The applicable Each Pollution Condition Limit stated on the Declarations is the most the Insurer will pay for applicable **claims**, **losses**, **emergency response expense** and **defense and claims expense** afforded by this Policy arising from the same, related, or continuous **pollution condition**. The most the Insurer will pay with respect to any **pollution condition** that continues during the policy period(s) of more than one Pollution Liability Policy is the Each Pollution Condition Limit shown on the Declarations applicable to the first policy period during which the **pollution condition** commenced.
- 3) The Policy Aggregate Limit stated on the Declarations is the most the Insurer will pay for the sum of damages under all Coverage Parts for applicable **claims**, **losses**, **emergency response expense** and **defense and claims expense** afforded by this Policy.
- 4) Subject to Paragraphs 1) through 3) above, if a **claim** from the same, related, or continuous **pollution condition** results in coverage being triggered under more than one purchased coverage in Section I. Insuring Agreements, the most the Insurer will pay for **loss and defense and claims expense** arising from the same, related, or continuous **pollution condition** is the highest Each Pollution Condition Limit stated on the Declarations for purchased Coverage Parts applicable to the **loss**.
- 5) The Limits of Insurance apply to the **policy period** shown on the Declarations or as amended by endorsement.

### B. Deductible

- 1) Subject to the provisions of Subsection A. Limits of Insurance above, the Insurer will pay for applicable **claims**, **losses**, **emergency response expense** and/or **defense and claims expense** that exceed the applicable deductible amount set forth on the Declarations or as amended by endorsement. The Limits of Insurance apply in excess of the deductible.
- 2) The deductible amount is the obligation of the **named insured** and applies once to **claims**, **losses**, **emergency response expense** and **defense and claims expense** arising from the same, related or continuous **pollution condition(s)**. If the same, related or continuous **pollution condition** results in coverage being triggered under more than one purchased coverage in Section I. Insuring Agreements, then only the highest deductible amount stated on the Declarations for purchased Coverage Parts applicable to the **pollution condition** will apply.
- 3) The Insurer, at its sole election and option, may either:
  - a. Pay any part of the deductible amount to effect settlement or expense of any **claim**, and upon notification of the action taken, the **insured** shall promptly reimburse the Insurer for such part of the deductible amount that has been paid by the Insurer; or
  - b. Simultaneously upon receipt of notice of any **claim** or at any time thereafter, call upon the **insured** to pay or deposit with the Insurer all or any part of the deductible amount, to be held and applied by the Insurer at its sole discretion.
- 4) The Insurer has the right, but not the obligation, to make any payments associated with **cleanup costs**, a **claim**, **emergency response expense** and/or **defense and claims expense** within the amount of the applicable deductible if the Insurer, in its discretion, deems it advisable to do so. If the Insurer exercises this right, the **insured** must promptly upon request, but in no event later than thirty (30) days after such request, reimburse the Insurer for any payments made by the Insurer within the amount of the applicable deductible.

- 5) If a claim has not entered into litigation, and the Insurer and the **named insured** mutually agree to **mediation** as a means to settle a **claim** made against the **insured**, and if such **claim** is settled as a direct result of and during the **mediation**, the applicable deductible stated on the Declarations or applicable endorsement(s) shall be waived up to a maximum of \$25,000. When this occurs, the Insurer will reimburse the **named insured** as soon as practicable up to a maximum of \$25,000 for any qualifying deductible amount that was already paid by the **named insured** prior to the mediation.

### III. DEFENSE AND SETTLEMENT

- 1) The Insurer may, at its discretion, investigate any **loss** and settle any **claim**.
- 2) The Insurer will have the right and the duty to defend the **insured** against a **claim** brought in the **coverage territory** to which this insurance applies. However, such duty to defend ends once the Limits of Insurance as shown on the Declarations, or amended by endorsement, are exhausted or are tendered into a court of competent jurisdiction, or once the **insured** refuses a settlement offer as provided in Paragraph 7), below.
- 3) The Insurer shall have no duty to defend the **insured** against any **claim** to which this insurance does not apply.
- 4) The Insurer has the right to select legal counsel to represent the **insured** for the investigation, adjustment and defense of any **claim** covered under this Policy. However, **defense and claims expense** incurred prior to the selection of legal counsel by the Insurer shall not be covered under this Policy and cannot be applied against any deductible.
- 5) **Defense and claims expense** is subject to and will erode the applicable Limits of Insurance and any applicable deductible. In addition, **defense and claims expense** is included within any applicable deductible stated on the Declarations to this Policy.
- 6) All duties of the Insurer under this Policy, including the duty to defend, end when the applicable Limits of Insurance are exhausted or are tendered into a court of competent jurisdiction, or once the **insured** refuses a settlement offer as provided in Paragraph 7), below.
- 7) The Insurer will present all settlement offers to the **insured**. The Insurer will not settle without the consent of the **insured**. If the Insurer recommends a settlement which is acceptable to a claimant, which exceeds any applicable deductible, is within the Limits of Insurance, and the **insured** refuses to consent to such settlement offer, the Insurer's duty to defend shall end. The Insurer's liability for **claim(s)** shall not exceed the amount for which the **claim** could have been settled if the recommendation made by the Insurer had been accepted, exclusive of the deductible.

VI. **GENERAL CONDITIONS**

A. **CONDITIONS APPLICABLE TO ALL COVERAGES UNLESS OTHERWISE NOTED**

1) **Bankruptcy**

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve the Insurer of its obligations under this Policy.

2) **Cancellation**

- a. This Policy may be cancelled by the **named insured** by mailing to the Insurer, or through the insured's agent, written notice stating when such cancellation shall be effective.
- b. This Policy may be cancelled by the Insurer by mailing to the **named insured** at the **named insured's** last known address, written notice stating such cancellation shall be effective ten (10) days thereafter for the following reasons:
  1. Non-payment of premium; or
  2. Fraud or material misrepresentation on the part of a **responsible insured**.

The mailing of notice shall be sufficient proof of notice. The effective date and hour of cancellation stated in the notice shall be the end of the **policy period**.

- c. This Policy may be cancelled by the Insurer by mailing to the **named insured** at the **named insured's** last known address, written notice stating such cancellation shall be effective not less than ninety (90) days thereafter. The mailing of notice shall be sufficient proof of notice. The effective date and hour of cancellation stated in the notice shall be the end of the **policy period**.

3) **Changes and Assignment**

The terms, definitions, conditions, exclusions and limitations of this Policy shall not be waived or changed, and no assignment of any interest under this Policy shall bind the Insurer, except as provided by endorsement and attached to this Policy, signed by the Insurer or its authorized representative.

4) **Inspection and Audit**

With reasonable notice to the insured, the Insurer shall be permitted, but not obligated, to inspect the insured's premises, equipment and/or operations. Neither the Insurer's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the insured or others, to determine or warrant that such property or operations are safe or in compliance with

environmental laws, or any other law. Any recommendations or information provided is not intended as a substitute for advice from a safety expert or legal counsel the **insured** may retain for the **insured's** own purposes. It is not intended to supplant any legal duty the **insured** may have to provide a safe premises, workplace, product or operation.

#### 5) Legal Action against the Insurer

No person or organization has a right under this Policy:

- a. To join the Insurer as a party or otherwise bring the Insurer into a suit asking for damages from an **insured**; or
- b. To sue the Insurer on this Policy unless all of its terms have been fully complied with.

A person or organization may sue the Insurer to recover on an agreed settlement or on a final judgment against an **insured**; but the Insurer will not be liable for damages that are not payable under the terms of this Policy or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by the Insurer, the **insured** and the claimant or the claimant's legal representative.

#### 6) Other Insurance

If other valid and collectible insurance is available to the **insured** for a **loss** covered under this Policy, the obligations of the Insurer are limited as follows:

##### a. Primary Insurance

This insurance is primary except when Subparagraph b. below applies. If this insurance is primary, the obligations of the Insurer are not affected unless any other insurance is also primary. In the event that other insurance is also primary, then the Insurer will share with the other insurance by the method described in Subparagraph c. below.

##### b. Excess Insurance

If other insurance, whether collectible or not, is available to the **insured** covering a **loss** also covered by this Policy, other than a policy that is specifically written to apply in excess of this Policy, the insurance afforded by this Policy shall apply in excess of and shall not contribute with other such insurance. This Policy shall in no way be increased or expanded as a result of receivership, insolvency or inability to pay by any insurer with respect to both the duty to indemnify and the duty to defend. This also applies to the **insured** while acting as a self-insured for any coverage.

When this insurance is excess, the Insurer will have no duty under the Policy to defend a **claim** if any other insurer has a duty to defend the **insured** against a **claim**. If no other insurer defends a **loss** covered under this Policy, the Insurer may undertake to do so, but the Insurer will be entitled to the **insured's** rights against all those other insurers. When this insurance is excess over other insurance, the Insurer will pay only its share of the amount of the **loss**, if any, that exceeds the sum of:

1. The total amount that all such other insurance would pay for the **loss** in the absence of this insurance; and
2. The total of all deductible and self-insured amounts under all other insurance or under this Policy.

The Insurer will share the remaining **loss**, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown on the Declarations of this Policy.

##### c. Method of Sharing

If all of the other insurance permits contribution by equal shares, the Insurer will follow this method also. Under this approach each Insurer contributes equal amounts until the Insurer has paid its applicable limit of insurance or none of the **loss** remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, the Insurer will contribute by limits. Under this method, each Insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

#### 7) Representations

By accepting this Policy, the **insured** agrees:

- a. The statements on the Declarations, the Application for insurance, any other underwriting, loss control or claims related information and any other information submitted to the Insurer are accurate and complete at the time the **insured** reported that information; and
- b. Those statements are based upon representations the **insured** made to the Insurer; and
- c. The Insurer has issued this Policy in reliance upon the **insured's** representations.

**8) Separation of Insureds**

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Policy to the first **named insured**, this insurance applies:

- a. As if each **named insured** were the only **named insured**; and
- b. Separately to each **insured** against whom a **claim** is made.

**9) Sole Agent**

The first **named insured** shown on the Declarations shall act on behalf of all **insureds** for the payment or return of premium, receipt and acceptance of any endorsement issued to form a part of this Policy, giving and receiving notice of cancellation or non-renewal and the exercise of the rights provided in Section VIII. Extended Reporting Period, Paragraph 2) Optional Extended Reporting Period.

**10) Transfer of Rights of Recovery Against Others**

If the **insured** has rights to recover all or part of any payment made by the Insurer under this Policy, those rights are transferred to the Insurer. The **insured** must do nothing to impair these rights once a **loss** is known by a **responsible insured**.

**11) Consent or Approval**

Where the consent or approval of the Insurer, or an **insured**, is required pursuant to this Policy, such consent or approval shall not be unreasonably withheld, delayed, conditioned, or denied.

**B. ADDITIONAL CONDITIONS APPLICABLE TO COVERAGE G. CONTRACTORS POLLUTION LIABILITY AND COVERAGE H. PRODUCT POLLUTION LIABILITY**

**1) Premium Audit**

- a. The Insurer will compute all premiums for this Policy in accordance with the rules, rates and minimum premium requirements of the Insurer.
- b. Premium shown on the Declarations page of this Policy as Premium is a deposit premium only. At the close of each audit period, the insurer will compute the earned premium for that period. Audit premiums are due and payable on notice to the **named insured**.
- c. The **insured** must keep records of the information needed by the Insurer for premium computation, and send copies at such times as requested by the Insurer.
- d. The Insurer may examine and audit books and records of the **insured** as they relate to this Policy at any time during the **policy period** and up to three years afterward.
- e. Premium adjustments as a result of premium audits will be done after the Policy expires or is terminated, but may be done by the Insurer while the Policy is in effect.
- f. Premium audit adjustment calculations will be made to determine additional premium only. The **insured** has agreed with the Insurer that there will be no downward adjustments of the Premium.

**VII. DUTIES IN THE EVENT OF A POLLUTION CONDITION, LOSS OR CLAIM**

- 1) Without limiting the specific requirements contained in any Coverage Part or any other exposure-specific reporting requirements contained within this Policy, if any, the **insured** shall also see to it that the Insurer receives notice of any **claim** or the discovery of any **pollution condition**, as soon as practicable, by one or more of the following:

- a. Provide written notice to the address, fax number, or email address identified in Item 10. of the Declarations to this Policy; or
- b. Provide verbal notice utilizing the **ACE ALERT<sup>SM</sup> 24-hour Emergency Response and Incident Reporting System** by calling the telephone number identified in Item 10. of the Declarations to this Policy.

Such notice should include reasonably detailed information as to:

- a. The identity of the **insured**, as well as contact information for the **responsible insured** handling the **claim** or **pollution condition**;
  - b. The location of the **pollution condition**;
  - c. The nature of the **claim** or **pollution condition** including details regarding any injury or damage; and
  - d. The steps undertaken by the **insured** to respond to the **claim** or mitigate the **pollution condition**.
- 2) The **insured** must:
- a. Immediately send the Insurer copies of any demands, notices, summonses or legal papers received in connection with any **claim**;
  - b. Authorize the Insurer to obtain records and other information;
  - c. Cooperate with the Insurer in the investigation, settlement or defense of the **claim**;
  - d. Assist the Insurer, upon the Insurer's request, in the enforcement of any right against any person or organization which may be liable to the **insured** because of a **claim**, **loss**, **cleanup costs**, **emergency response expense** or **defense and claims expense** to which this Policy may also apply;
  - e. Provide the Insurer with such information and cooperation as the Insurer may reasonably require.
- 3) The **insured** shall not make or authorize an admission of liability or attempt to settle or otherwise dispose of any **claim** without the prior written consent of the Insurer.
- 4) The **insured** shall not incur any **cleanup costs** without the prior written consent of the Insurer, except in the event of an **emergency response expense** or first aid.
- 5) If in the sole judgment of the Insurer, the **insured** fails to take reasonable steps to mitigate a **pollution condition** to the extent required by **environmental laws**, the Insurer shall have the right, but not the duty, to mitigate the **pollution condition**.

For the purposes of fulfilling the notice requirements contained in the Coverage Parts to this Policy, notice supplied pursuant to one or more of the verbal or electronic notice mechanisms specifically contemplated on the Declarations shall constitute written notice to the Insurer.

#### VIII. EXTENDED REPORTING PERIOD

In the event that this Policy is cancelled or non-renewed by the **insured** or the Insurer, for any reason, except for non-payment of premium or deductible amounts, or as a result of fraud or material misrepresentation, the following shall apply:

##### 1) Automatic Extended Reporting Period

- a. The Insurer shall provide the **insured** at no additional premium an Automatic Extended Reporting Period of ninety (90) days for any **claim** first made against the **insured** during this Automatic Extended Reporting Period, provided that:

## 2) Optional Extended Reporting Period

- a.
