RIDEYELLOW is entering its 12th year as the largest charity cancer bicycle ride in Alabama. This event brings approximately 500 cyclists and 250 volunteers from six states to North Baldwin County each year. We are asking that the Baldwin County Commission show its support through issuance of a proclamation during the June meeting of the County Commission declaring Saturday, June 16, 2018 RIDEYELLOW day in Baldwin County.

RIDEYELLOW will be held on Saturday, June 16 in the great city of Bay Minette. For more than 12 years, this ride has celebrated cancer survivors, caregivers and raised cancer awareness and proceeds for a disease that affects so many of our loved ones.

Last year, on behalf of our sponsors, riders, and 250 volunteers, we proudly donated \$20,000 to local charities that help fight cancer. Those who benefited were camp Rap-A-Hope, Camp I Believe, a bereavement camp for children, and Covenant Hospice's Butterfly Bag project.

This year, we hope we can count on you to support RIDEYELLOW. Your support will assist us in continuing to grow this great event. With your support, RIDEYELLOW can continue to be the greatest bike event in the area and help us to achieve our goals of providing funds for local cancer agencies and raising awareness of this devastating disease.

On behalf of the 2018 committee, participants, survivors and honorees, we would like to thank you in advance for your consideration. With your help and support, we WILL cross the finish line together!

Sincerely,
