Mr. Joey Nunnally, PE Baldwin County Engineer P O Box 220 Silverhill, Alabama 36576

Re: Resurfacing/Culvert Replacement

Baldwin County Highway 83

Dear Mr. Nunnally,

As you are aware, the Town of Elberta is proceeding with resurfacing a section of County Road 83, as well as replacing seven (7) of the deteriorated culverts.

We have obtained Rural Development funding for the culvert replacement, and should submit the plans and specifications to them for review in the next few days. I met with the Commission to discuss the County Road 83 project, and one of the items that was mentioned was the possibility of assistance with traffic detours during the culvert replacement. We would like to request assistance from you and your staff in installing the required detour signage for this project.

Please let me know if you need any additional information concerning this request.

Sincerely,

Jim Hamby, Mayor Town of Elberta RECEIVED

JUN 1 2018
