2018-19: ACCA Legislative Committee Appointments

Chairs, Commissioners and Administrators:

The ACCA Annual Convention is just around the corner, which means it's time for your county commission to select its representative for the 2018-2019 ACCA Legislative Committee. This is a friendly reminder that the **Association's by-laws require a county to submit the name of its chosen representative only after approval by majority vote of the county commission.**

If your county has yet to do so, please place this item on an upcoming meeting agenda for a vote, and then use the [attached form](#) to submit the name of your nominee to the Association staff **by or before August 1, 2018.** Should a county fail to report a nominee by the August 1 deadline, the county's nominee will be appointed by the Association's Officers.

If you are interested in serving on the Legislative Committee, [click here to learn more about the committee and its responsibilities.](#) Please contact [me](#) at 334-263-7594 if you have any questions about the nomination procedures or serving on the Legislative Committee.
