

ROAD NAME CHANGE PETITION

We, the undersigned, hereby petition the Baldwin County Commission to permit the renaming of roadway. We understand and accept that many roads in Baldwin County were named for ease of resident location, particularly for emergency response, and that renaming a roadway is a serious matter involving numerous agencies and departments. Further, we understand and accept that the participation of the Commission in this matter in no way constitutes responsibility on the part of the county for maintenance of the roadway now or in the future.

If the name change is not approved, we understand that we must wait twenty-four (24) months from the date of the rejection before submitting another petition.
