

BID #WG18-38 SPECIFICATIONS

These specifications shall be construed as minimum. Should manufacturer's current published data or specifications exceed these, such standards shall be considered minimum and furnished. All integral parts not specifically mentioned in the scope of these specifications that are necessary to provide a complete working product shall be furnished.

Bidders shall be prepared to give a complete demonstration of the merits of the products offered. The products so demonstrated shall be complete as offered by the bidder for the bid. In the event that the Solid Waste Department Head or his assigned personnel does not obtain the desired effects from the demonstrated products, then the next bidder will be requested to demonstrate their products for bid award consideration.

Bidder shall give a unit price as indicated on the Bid Response Form. The price shall include all applicable charges, to include but not limited to delivery, etc.

The use of specific names and numbers in the specifications is not intended to restrict the bidder or any seller or manufacturer's, but is solely for the purpose of indicating the type, size and quality of equipment considered best adapted to Baldwin County.

BID RESPONSE FORM:

Each supplier should use the Response Form provided for their bid. Exceptions are to be attached to the back of the Response Form. Prices bid shall be firm for a one (1) year period; the period shall begin the day of bid award.

It is the intent of the Commission to award to one (1) bidder.

DELIVERY

Delivery shall be as soon as possible, but not more than fifteen (15) business days after receipt of order.

A Purchase Order will be issued for the materials and quantities listed. Delivery shall be made to the location listed on the Purchase Order.
