Subject: Contract for ArcGIS Online Platform and GIS Database Support Services

Ethan,

The Contract for the ArcGIS Online Platform and GIS Database Support Services between Keet Consulting Services, LLC, and Baldwin County Commission will be expiring on October 19, 2018. The RFP included an option to renew the Contract for an additional twelve (12) months if the vendor agrees, at the same prices and terms as the original Contract award. Baldwin County would like to extend the Contract for the Support Services for twelve (12) months. I have attached a copy of the Contract for your review.

Please let me know if **Keet Consulting Services, LLC**, agrees to a twelve (12) month extension at the same prices and terms as the original Contract executed on October 19, 2016.

Thanks
