Mrs. Peerson-

I am in receipt of a letter from Mrs. Judy Wargo dated July 20, 2018 requesting assistance with the 28th Annual Lillian Christmas Parade scheduled for 1:00 p.m. on December 08, 2018. At this time, we (Highway Patrol) plan to assist, as we have in past years, with the temporary, short-duration detour of U.S. 98 to facilitate the event; I've forwarded the request to Sgt. Bogle for planning purposes. I'm Cc'ing ALDOT for awareness and possible placement of VMS (programmable signage) to alert motorists of the closure.
