Subject: Dorgan Rezoning Case No. Z-18041

Dear Mr Jackson,

My wife and I moved here 2.5 years ago from Atlanta to get away from the huge development that has been suffered there. We have been alarmed as to the unfettered growth in Fairhope too. We think it is unwise to let Point Clear start to rezone for high density growth. So we are opposed to the requested RSF-4 rezoning of this property.

Sincerely,

Alexis & Deborah Donghi
