Here is an additional email pertaining to Case Z-18041, Dorgan Property rezoning.

If you should have any questions, please let me know.

Thanks,

Vince

Subject: Dorgan Rezoning

Dear Vince,

I hope this message finds you well and in anticipation of a most blessed Thanksgiving. It's been brought to my attention that there is a rezoning application on the Dorgan property in Point Clear. As a property owner in Point Clear, I'm most interested in the area being kept high-end w/ low-density residential development moving forward. For this reason, I write to you in favor of, and in support of, the single-family project on Scenic Highway 98, just south of the corner of Hwy. 32, being reasoned from B-2 to RSF-4.

Many thanks in advance for your consideration of my opinion,

Anna Luce
