

# Infirmary Health RIDEYELLOW

...more than just a bike ride

Baldwin County Commission  
312 Courthouse Square Suite 12  
Bay Minette, AL 36507

RIDEYELLOW is entering its 13<sup>th</sup> year as the largest charity cancer bicycle ride in Alabama. This event brings approximately 500 cyclists and 200 volunteers from six states to North Baldwin county each year. We are asking that the Baldwin County Commission show its support through issuance of a proclamation during the June County Commission declaring Saturday, June 15, 2019 RIDEYELLOW day in Baldwin County.

RIDEYELLOW will be held on Saturday, June 15 in the great city of Bay Minette. For more than 13 years, this ride has celebrated cancer survivors, caregivers and raised awareness and proceeds for a disease that affects so many of our loved ones.

Last year, on behalf of our sponsors, riders, and 200 volunteers, we proudly donated \$22,000 to local charities that help fight cancer. Those who benefited were Camp Rap-A-Hope, Camp I Believe, a bereavement camp for children and Covenant Hospice's Butterfly Bag Project.

This year, we hope we can count on you to support RIDEYELLOW. Your support will assist continuing to grow this event. With your support, RIDEYELLOW can continue to be the greatest bike event in the area and help us to achieve our goals of providing funds for local cancer agencies and raising awareness of this devastating disease.

On behalf of the 2019 committee, participants, survivors and honorees, we would like to thank you in advance for your contribution. With your help and support, we WILL cross the finish line together.

Sincerely,

Joshua Hodge
