Felisha,

We look forward to working with you on this event. I know Amanda emailed the information below, because that is our new process for any special trip requests. Unfortunately, none of the available exceptions really work for your trip so it might seem like the form doesn't apply. Please still fill it out, so we can document the request and then we will make an internal note that we are essentially donating the services which moves the trip outside the charter regulations. Our cost at BRATS for the trip will be \$1,108, which includes drive time to the event and pre- and post-trip inspections of the bus. Unfortunately, we can't legally get reimbursed (even internally) for a trip like this, so on your agenda, just note that BRATS will be absorbing this cost. Please let me know if you need anything else from us.
