Mr. Charles F. Gruber, Chairman
Baldwin County Commission
312 Courthouse Square
Suite 12
Bay Minette, AL 36507

Dear Mr. Gruber,

We have been in contact with Highway Department concerning work requested to be done at Baldwin County Board of Education's Stapleton Elementary School. The Principle, Mr. Jim Perry has requested some additional parking spaces to be painted. We sincerely thank the Commission for helping us with the new parking lot prep, paving and striping. It will be a huge asset to parents and staff at the school. The Baldwin County Highway Department has provided estimates on equipment, labor, and materials. We would appreciate it if the commission will consider contributing the county's equipment to come on site and do the work. The Board will pay for all material and labor. The Department's estimate for equipment \$113.00 and labor and materials to be \$412.65.

If you need any further information, please contact Tom Waters, Business Operations and Purchasing Manager, via e-mail at twaters@bcbe.org or by phone at 251-580-1913. Thanks for all the commission does for the Baldwin County School System.

Sincerely,

Eddie Tyler
Superintendent
Baldwin County Board of Education
