Baldwin County Department of Human Resources
Post Office Box 2529
Robertsdale, Alabama 36567

Dear ReMigia:

After careful thought and consideration, I have made the decision to tender my resignation as a Board Member of DHR. I do so given the fact that I have substantial difficulty attending the Board meetings due to my work schedule. I further believe it is also in my best professional interest, due to a recent conflict, that I would be better served in offering my resignation.

It has been my pleasure serving on the Board, and I appreciate your giving me the opportunity to do so.

Very truly yours,

Bruce B. Stone
