Ms. Hadden:

I wanted to reach out to you to let you know that we have received your request. We have reached out to our Archives Department, as we are in the process of changing our reservation processes and Archives and History will be handling all future reservations for Bicentennial Park and we are coordinating reservations with them.

Just to let you know, usage fees are per day. I understand that the Cub Scouts/Boy Scouts in the past, with Commission approval, have done service projects at Bicentennial Park to cover fees. If this is something you would like to request, please let us know the service project the pack plans to do, and we will submit the request to the Commission at an upcoming Commission Meeting.

I will let you know as soon as possible once I hear from the Archives and History Department regarding your requested date.

**Thank you,**

*Keri Green*
