SUBJECT: Request for Consideration as Board of Adjustment Alternate Member for Planning District 21

I recently had the pleasure of sitting in on a Commission District #4 Board of Adjustment hearing and was greatly impressed with the actions of the county staff and board members. I went to the county web site and noticed that the alternate member for Planning District 21 was vacant and I decided I would like to be considered for the vacancy.

I have been a resident of Baldwin County since 2000 when I moved back to the area from Huntsville, AL. I am a 1975 graduate of the University of South Alabama. I recently turned 65 years old. I served in the United States Army for 23 years active and reserve and retired with the rank of Lieutenant Colonel. I also served as a Federal Agent with the US Office of Personnel Management doing Federal background investigations for security clearances and retired in 2013. I have never been arrested and I have no personal issues that would negatively impact my suitability for being on the Board of Adjustment.

I am personally interested in the fair enforcement of Baldwin County Planning and Zoning ordinances. A lot of the ordinance violations are being committed by people who are committing other crimes. In my planning zone those crimes include the use, sale, and manufacture of drugs, prostitution, burglary, county tax evasion, etc. I would like to help make a difference in Baldwin County.

Sincerely,

MICHAEL G. SWANSBURG
