Re: Baldwin County Resurfacing Projects FY 2020: Group 1, BCR-2020-1  
BALDWIN COUNTY  
AREA 100

Dear Commissioners:

My office has thoroughly reviewed the bids taken on November 5, 2019, for the above referenced projects. Ammons & Blackmon Construction LLC was the low bidder under Alternative 2 (lay down only) with a bid of \$435,578.89. The County will use its annual bid to supply asphalt at a cost of approximately \$1,031,475.65. The total project cost is estimated to be around \$1,467,054.54. The estimated budget amount for FY20 Resurfacing Projects Group 1 was \$1,560,808.

The Low bidder had a calculation error in the total bid amount of -\$0.25. This error did not change the outcome of the low bid.

Each bid package has been reviewed for the inclusion of the appropriate bid bond.

Based on this information, it is my recommendation that the Baldwin County Commission award this contract to the lowest bidder, Ammons & Blackmon Construction LLC.

If you have any questions or comments, please give me a call at 251-937-0371

Sincerely,

  
Joey Nunnally, P.E.  
County Engineer
