Commissioner Underwood -

It was a pleasure to meet you briefly and to speak with you regarding a historic marker.

Ms Claudia Campbell of the Baldwin County Historic Development Commission has provided expertise and guidance for the Jenkins Farm and Farmhouse historic marker. Requested \$3000 payment has been forwarded. Two items remain pending - return of a BCHDC signed copy of the contract and placement of the marker.

Funding assistance for this marker is not within the scope of BCHDC guidelines. A \$1000 financial support request is respectfully put forth to the Baldwin County Commission.

The commission's assistance is sincerely and deeply appreciated.
