Subject: <EXTERNAL> Saturday Openings

As per our conversation, I am sending you this email as requested.

ALEA – Alabama Law Enforcement Agency Driver License Division is requesting the possibility of opening the Fairhope and Foley Driver License offices for Saturday operations. Our District office in Mobile has been opened since April 2019 for Saturday operations for customer service and due to the influx of customers wanting to obtain the STAR ID (REAL-ID ACT).

Hours of operation will be 7 am – 3 pm with at least 2 Examiners working in the office. They will process customers for all services that are performed in their offices now with the exception of Reinstatement in Foley.

The Mobile office does not have Reinstatement personnel either and no Commercial Skills testing is done only computer tests. Regular license road testing is performed.

As far as I know for now, it will be a permanent Saturday operation unless otherwise directed. Any objections as to building access, restrooms for the public or other concerns please let me know, and if this could be a viable possibility.

Thank you,
