

BID #WG21-05 SPECIFICATIONS
CRUSHED STONE, CRUSHED SLAG, CRUSHED GRAVEL, CRUSHED CONCRETE,
CRUSHED AGGREGATE BASE MATERIALS

Baldwin County desires bids for Crushed Stone, Crushed Slag, Crushed Gravel, Crushed Concrete and Crushed Aggregate Base Materials for the Baldwin County Highway Department.

It is the intent of the Baldwin County Commission to award this contract for a twelve (12) calendar month period beginning on the date of award.

Supply location will play a large part of bid award. More than one bidder may be awarded due to the supply location. Baldwin County will award on a per "**Maintenance Area**" basis as shown on the attached map.

The County Engineer or his designee will factor in the supply location in determining the low bidder for each "**Maintenance Area**". A per-road mile truck operating cost will be multiplied times the road miles of the best route between the supply location and each "**Maintenance Area**" for all material picked up by Baldwin County.

In the event that the awarded bidders' prime location cannot supply material, then the secondary awarded bidder will become the prime supplier for that day or project. This will be noted by the County representative at the bottom of the request for materials.

All grades of aggregate listed on the Bidders Response form shall include a price F.O.B. for material picked-up by Baldwin County at the bidder's supply location. Bidders shall stipulate the supply location applicable to the material. Bidders shall include a delivered price for all grades of the aggregates as noted on the Bidders response form. Delivery shall be in truck load quantities as ordered by Baldwin County F.O.B. and delivery will be per "**Maintenance Area**" with the Maintenance Areas as shown on the attached map.

All materials listed in this bid should meet the latest addition of the ALDOT Standard Specification Book.
