December 18, 2020

Baldwin County Commission;

The Bon Secour Volunteer Fire / Rescue is requesting that the Baldwin County Commission approve our department's planned purchase of a 2019 Ferrara MVP Demon (H-6643) fire apparatus. The cost of the rescue pumper is \$559,000.00 of which a 10% down payment of \$111,800.00 will be required. The balance of \$447,200.00 will be financed through United Bank for 10 years.

This rescue pumper will be replacing a high maintenance apparatus and will ensure that we will have the ability to continue to provide a vital service to our ever growing population, to our mutual and automatic aid areas, as well as maintain the ISO rating – class 4 and in hopes to lower the rating to a class 3 that our community deserves.

Thank you in advance for your continued support, which allows our department to provide the best fire and rescue service to our community and County.

Respectfully,

Paul E. Shoenight
Fire Chief
