Dear Director Boswell:

Please consider this letter as notification by the Baldwin County Commission (BCC) to the Alabama Department of Economic and Community Affairs (ADECA) for ADECA to allow Baldwin County volunteer fire departments/fire departments and search and rescue units to be eligible the provision of surplus equipment from the State of Alabama. Please see below applicable Alabama laws (in this case, local state legislative acts applicable to Baldwin County) whereby certain tax proceeds are enjoyed by Baldwin County volunteer fire departments/fire departments and/or search and rescue units.

- 1) The 37 Baldwin County volunteer fire departments/fire departments, listed in **Exhibit A** hereto, receive portions of certain ad valorem tax proceeds pursuant to the authority found at Section 45-2-242 of the Code of Alabama (1975).
- 2) The 3 Baldwin County search and rescue units, listed in **Exhibit B** hereto, receive portions of certain tobacco tax proceeds pursuant to the authority found at Section 45-2-244.130 through Section 45-2-244.135 of the Code of Alabama (1975).

We are hopeful that the above information will allow any state surplus equipment to be utilized by Baldwin County volunteer fire departments/fire departments and search and rescue units as they, collectively, benefit the public safety of the citizens of Baldwin County.
