Baldwin County Commission
Attn: Honorable Billie Jo Underwood, Mrs. Terri Graham,

Re: Proposed Landfill Gas Rights Agreement (the "Agreement") by and between AEP Renewable Fuels, LLC (together with any successor, "AEP") and Baldwin County Commission (the "Commission")

Dear Mses. Underwood and Graham,

This letter will serve as a written modification to the Landfill Gas Rights Agreement ("Agreement"). Unless otherwise stated, the terms herein shall have the same meaning as in the Agreement. The parties understand and agree that, notwithstanding any term to the contrary, the Agreement, once approved and executed by the Baldwin County Commission ("BCC"), will not be effective, and neither party will have any obligations thereunder, unless and until AEP executes all written agreements necessary to proceed with (1) interconnecting the Processing Station with the Riviera Utilities pipeline, (2) interconnecting with British Petroleum lateral lines, and (3) compressing and piping Landfill Gas to a metering and pressure regulation station. If said written agreements are not in place within six (6) months of the BCC's execution of the Agreement, the Agreement shall be null and void without further action by either party thereto.

Sincerely,

AEP Renewable Fuels, LLC
