WHEREAS, the BALDWIN COUNTY COMMISSION, hereinafter referred to as "the COMMISSION" and THE TOWN OF ELBERTA, hereinafter referred to as "the MUNICIPALITY" desire to enter into an agreement concerning the areas of their respective planning jurisdictions, with the COMMISSION having responsibility for the review of subdivisions in the unincorporated areas of the County planning jurisdiction of any other municipality in Baldwin County, and the MUNICIPALITY having particular responsibility for the review of subdivisions located inside its corporate limits and all land lying within its planning jurisdiction; and

WHEREAS, State law authorizes a municipality to exercise such planning jurisdiction up to five (5) miles outside its corporate limits and not located in any other municipality;

NOW, THEREFORE, THE COMMISSION AND THE MUNICIPALITY do hereby mutually agree as follows:

1. The MUNICIPALITY'S planning jurisdiction shall include all land located inside its corporate limits and all land lying beyond its corporate limits as described on the attached "EXHIBIT A" and not located in any other municipality; provided, however, that the MUNICIPALITY may extend the territorial jurisdiction for planning to all land lying within five (5) miles of the corporate limits of the MUNICIPALITY and to any other territory which may be included on amendment of existing law, and not located in any other municipality, by adoption of a resolution extending said territorial jurisdiction, and submission of same to the COMMISSION which shall concur in such jurisdiction extension to the limit allowed by current law at its next meeting following receipt of the MUNICIPALITY'S resolution.

2. The MUNICIPALITY will exercise review authority over all subdivision developments within the area described in Exhibit A; provided, however, that if any part of a proposed subdivision lies within the MUNICIPALITY'S planning jurisdiction as described in "EXHIBIT A", then the MUNICIPALITY and not the COMMISSION will have responsibility for review of said subdivision.

3. The MUNICIPALITY will submit a copy of each plat approved within its extraterritorial planning jurisdiction to the County Engineer for his approval as required in Section 11-52-30 of the Code of Alabama, prior to such plat being filed for recording with the Judge of Probate of Baldwin County. The more strict requirements, whether of the municipality or of the county, must be complied with by the developer. 4. The COMMISSION will exercise review authority through the Baldwin County Planning Commission over all subdivision developments lying outside the MUNICIPALITY's planning jurisdiction of any other municipality in Baldwin County; provided that, where a proposed subdivision lies partly in the COMMISSION's planning jurisdiction and partly in the MUNICIPALITY's planning jurisdiction, it shall be the MUNICIPALITY's responsibility to review said subdivision as described in Item 2 above.

5. Upon execution of agreements between the COMMISSION and each municipality in Baldwin County, the COMMISSION will have prepared a map delineating the respective planning jurisdictions of the COMMISSION and each municipality in Baldwin County, which map shall be incorporated into this agreement and become a part of it.

6. A copy of this agreement, including the map delineating the respective planning jurisdictions of the COMMISSION and the municipalities for the exercise of subdivision development controls shall be filed with the Judge of Probate of Baldwin County.

7. This agreement shall become effective upon the last date signed below and shall continue in force and effect until such time as it is mutually abolished by the COMMISSION and the MUNICIPALITY, or determined by proper authority to be invalid or inconsistent with State law.

8. It is expressly understood that this agreement can be modified or amended by mutual action of the COMMISSION and the MUNICIPALITY whenever such modification or amendment is deemed necessary.
