RE: FFY2022 FTA Direct 5307 Recipient Re-assignment & Authorization

Dear Mr. Lindsey:

The Baldwin County Commission requests approval and authorization from the Alabama Department of Transportation (ALDOT) in application to, and submission of required documentation to the Federal Transit Administration (FTA) Region IV to become a Direct 5307 Recipient, starting the first day of October 2021. It is intended for ALDOT to support this request and seek *Delegation of Authority* by the Office of the Governor of Alabama or by way of the State Department of Transportation if such authority has been delegated. Once this request has been granted, the Baldwin County Commission will have the ability to apply for, receive and manage FTA 5307 formula funding grants.

If you have any questions or need further assistance, please do not hesitate to contact me at (251) 990-4620 or Matthew Brown, Director of Transportation at (251)580-1657.

Sincerely,

JOE DAVIS, III, Chairman
Baldwin County Commission
