In the event that such document is not in an acceptable form at any time prior to or during the effectiveness of this Agreement, the services and/or work described in this Agreement shall either not commence or immediately cease, depending on the situation. Any project delay that is attributable to the County's acceptance, or non-acceptance, of the bond and/or surety document form shall in no way be consider as a delay caused by the County, and the Contractor and/or Provider waives all rights to claim that any such delay was the fault of the County.
