Hey Victoria, I hope you're doing well. I tried my best to make Monday, October 25 and Tuesday, October 26 work for my event dates, but people just aren't responding. It's because I was unable to get my original weekend dates and this was just approved too late - people are used to having 6-8 months notice to plan. Is there any way possible I can postpone my event dates until Friday, April 8th and Saturday, April 9th, 2022? I just can't lose a ton of money. Any help would be greatly appreciated. Thanks,

Kenny Caperton
