

BID #WG22-10 SPECIFICATIONS

These specifications shall be construed as minimum. Should manufacturer's current published data or specifications exceed these, such standards shall be considered minimum and furnished. All integral parts not specifically mentioned in the scope of these specifications that are necessary to provide a complete working unit shall be furnished. The vehicle must be new and a current production model.

Bidders shall give a unit price as indicated on the Bid Response Form. The price bid shall include all applicable charges, destination charges, delivery charges, Title Fees, rebates and any other similar cost and refunds on the Vehicle. The purchase price shall not include extended warranty cost.

The use of specific names and numbers in the specifications is not intended to restrict the bidder or any seller or manufacturers, but solely for the purpose of indicating the type, size and quality of equipment considered best adapted to Baldwin County.

Award will be to the lowest responsible bidder meeting specifications. It is not the policy of the Baldwin County Commission to purchase on the basis of low bid only. Quality, conformity with specifications, purchase for which required, terms of delivery, finance package, resale value of equipment, and fast service and experience are among the factors that will be considered in determining the responsive bidder.

BID RESPONSE FORM:

Each supplier should use the Response Form provided for their bid. All warranties and exceptions are to be attached to the back of the Response Form. The Bid Guarantee should be attached to the front of the Response form. **All exceptions must be listed and attached to the Bid Response Form.**

WARRANTY:

Bidders shall submit a copy of the manufacturer's standard warranty along with a complete explanation of the warranty with their bid.
