WITNESSETH:

WHEREAS, Lessor is the owner of that certain real property known as the Magnolia Sanitary Landfill and located at 15140 County Road 49, Town of Summerdale, Baldwin County, Alabama (the "Landfill");

WHEREAS, contemporaneous with the execution of this Lease, Lessor and Lessee have entered into an agreement pursuant to which Lessor grants to Lessee certain rights to purchase landfill gas collected at the Landfill (the "Landfill Gas Rights Agreement"); and

WHEREAS, Lessor has agreed to lease to Lessee and Lessee has agreed to lease from Lessor, subject to the terms and conditions set forth in this Lease, a certain one (1) acre parcel of land located at the Landfill for Lessee's commercial production, storage and loading of transportation fuels from landfill gas for sale to others.

NOW, THEREFORE, for and in consideration of the covenants and conditions herein to be kept, performed and observed, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

ARTICLE 1. DEMISE OF LEASED PREMISES

Description of Leased Premises

1.01 Lessor leases to Lessee, and Lessee rents and accepts from Lessor, a certain one (1) acre parcel of land located at the Landfill and further described on Exhibit A, attached hereto and incorporated herein by reference (the "Leased Premises"). All materials, minerals, water, natural gas, and other items existing in, on, or under the Landfill (including, but not by way of limitation, the refuse, cell liners, the landfill gas until title passes to Lessee, leachate, leachate collection system, condensate, and cover) shall at all times remain the property of Lessor, subject to the terms of the Landfill Gas Rights Agreement.

Land Subject to Liens, Encumbrances, and Other Conditions

1.02 Lessee shall be permitted to use the Leased Premises for all purposes set forth in the Landfill Gas Rights Agreement, and ancillary uses related thereto. All other uses are subject to the prior written consent of Lessor, such consent not to be unreasonably withheld, conditioned, or delayed. This Lease is expressly granted by Lessor and accepted by Lessee subject to all

applicable building, zoning and other ordinances and governmental requirements affecting the Leased Premises and to all restrictions, covenants, encumbrances, rights-of-ways, easements, exceptions, reservations and other matters of record encumbering or affecting the Leased Premises. Furthermore, subject to the rights of Lessee hereunder, Lessor reserves the right to grant any, easements, licenses, and other similar agreements affecting the Leased Premises, including, without limitation, utility and pipeline easements (collectively referred to for purposes of this paragraph as "Easements"), provided that, (i) the Easement shall be located in a manner that minimizes interference with the operations of Lessee at the Leased Premises and does not increase any operational cost or risk to Lessee, while also minimizing construction and operational costs and risks for Lessor; and (ii) in connection with any and all work performed and operations conducted within the Leased Premises, the Easement holder, including its employees, agents, invitees, contractors and subcontractors, shall comply with Lessee's standard safety and insurance requirements for contractors performing similar types of work within the Leased Premises. All plans and specifications for an Easement holder's improvements to be located on the Leased Premises shall be subject to Lessee's prior review and approval (such approval not to be unreasonably withheld, conditioned or delayed so long as such improvements meet Lessee's own standards for similar improvements on the Leased Premises). The matters referenced in this paragraph are the "Permitted Exceptions".

Representations and Warranties of Lessor

1.03 Lessee shall satisfy itself of any and all matters in connection with the condition of the Lease Land prior to execution of this Agreement. Lessee has the obligation to determine any and all conditions of the Leased Premises and any improvements thereof, without limitation. Lessor disclaims any and all warranties with regard to the Leased Premises, express or implied. Lessee has had the opportunity to inspect the Leased Premises and to satisfy itself with regard to its condition and Lessee understands, acknowledges and agrees that the Leased Premises is leased by Lessor and accepted by Lessee in its "AS IS, WHERE IS, WITH ALL FAULTS AND WITHOUT ANY WARRANTY WHATSOEVER, EXPRESS OR IMPLIED" condition and without recourse against Lessor. LESSOR MAKES NO REPRESENTATIONS OR WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, OR ARISING BY OPERATION OF LAW, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OF CONDITION, HABITABILITY, SUITABILITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE, AND INCLUDING WITHOUT LIMITATION, (I) THE CONDITION OR SUFFICIENCY OF THE LEASED PREMISES FOR LESSEE'S INTENDED USE, (II) THE CONDITION OR ZONING STATUS OF THE LEASED PREMISES, OR ANY OTHER FACT OR MATTER RELATING THERETO, OR (III) WHETHER ANY OF THE LEASED PREMISES CONTAINS ANY SUBSTANCE OR MATERIAL WHICH IS OR MAY BE IN VIOLATION OF ANY ENVIRONMENTAL LAW. Lessee acknowledges that, except as may be otherwise expressly provided herein, in no event shall Lessor have any obligation for any defects in the Leased Premises or any limitation on its use. The taking of possession of the Leased Premises shall be conclusive evidence that the Leased Premises was in good condition at the time possession was taken. Notwithstanding anything herein to the contrary, Lessor hereby represents and warrants that, to its actual knowledge, as of the date of this Lease, the Leased Premises is in compliance with any and all - and that Lessee's permitted use hereunder does not violate any or all - applicable laws, statutes, ordinances and regulations.

Notwithstanding anything herein to the contrary, all renovation, restoration and construction activities permitted pursuant to the Landfill Gas Rights Agreement shall be deemed approved and permitted under this Lease Agreement. Further, notwithstanding anything herein to the contrary, if Lessor fails to respond to Lessee's request for approval within thirty (30) days after Lessee's said request, and such failure to respond continues for another thirty (30) days after a reminder notice from Lessee, then Lessor shall be deemed to have approved same.

As set forth in said Agreement, the design and permitting documents shall be signed and sealed by a professional engineer registered in the State of Alabama.

3.07 Lessee shall keep and maintain cost records for all restoration, renovation and/or construction activities undertaken on the Leased Premises, copies of which shall be provided to Lessor upon Lessor's written request for same on no less than an annual basis.

3.08 No review or approval of plans, specifications or other information or documentation by Lessor shall constitute a representation or warranty by Lessor that such plans, specifications or other information or documentation satisfy any applicable laws or other requirements or will provide for a safe operation, and no such review or approval shall make Lessor otherwise liable with respect thereto. Lessee shall be solely responsible for determining whether its plans, specifications, construction and maintenance meet its needs, satisfy applicable laws and other requirements and will provide for a safe operation.

ARTICLE 4. OPERATING COSTS AND IMPOSITIONS

ARTICLE 11. LEASEHOLD MORTGAGES

Leasehold Mortgages Permitted

11.01 In addition, notwithstanding anything herein to the contrary, notwithstanding anything in the Landfill Gas Rights Agreement to the contrary, Lessee shall have the right, without the consent of Lessor, to execute and deliver a mortgage, deed of trust, pledge and or collateral assignment of this Lease ("Mortgage") as security for any indebtedness in any form whatsoever. Lessor, however, shall not be required to subordinate its fee simple interest in the leased premises to any such leasehold mortgage. In the event Lessee shall execute and deliver a Mortgage, and if the holder of the indebtedness secured by this Lease ("Mortgagee") notifies Lessor of the execution of such Mortgage, and the name and place for service of notices upon such Mortgagee, then and in such event, Lessor hereby agrees for the benefit of Lessee and such Mortgagee from time to time:

a. That Lessor will give to any Mortgagee simultaneously with service on Lessee a duplicate of any and all notices or demands given by Lessor to Lessee and no such notice shall be effective unless a copy is so serviced upon Mortgagee;

b. Lessor shall not terminate this Lease or Lessee's right of possession for any default of Lessee if, within a period of thirty (30) days after the expiration of the period of time within which Lessee might cure such default, such default is cured or caused to be cured by Mortgagee or, if within a period of thirty (30) days after the expiration of the period of time within which Lessee might commence to eliminate the cause of such default, Mortgagee diligently commences to eliminate the cause of such default; and

c. Upon written notice from Mortgagee, (i) Lessor shall recognize Mortgagee as Lessee hereunder (but Mortgagee will not by reason of such recognition or by reason of any the collateral assignment of the Lease or by the exercise by Lender of any of its rights under this Lease be deemed to have assumed or become liable for any obligations, covenants, conditions or terms of the Lease to be performed and observed by Lessee), and (ii) Mortgagee shall have the right to assign this Lease without the consent of Lessor provided that Mortgagee exercises commercially reasonable efforts to vet any assignee in accordance with standards a prudent governmental body would follow.

Within thirty (30) days after written request from Lessee, Lessor shall execute any documents required by Mortgagee to evidence the above-referenced provisions and any other commercially reasonable provisions requested by Mortgagee.

For avoidance of doubt, in the event of a conflict between the provisions of this Article 11 and any assignment provision in the Landfill Gas Rights Agreement, the provisions of this Article 11 shall prevail.

ARTICLE 12. DEFAULT

Events of Default

12.01 Any one or more of the following events shall constitute a default under this Lease:

(a) Lessee's failure to observe or perform or cause to be observed or performed any other term, covenant, or agreement under this Lease shall constitute a default under this Lease if such failure continues for more than thirty (30) days after written notice to Lessee from Lessor of same (provided, however, if the nature of said failure is such that it cannot be cured within said thirty (30) day period, then Lessee shall have a reasonable amount of time to effectuate said cure provided that Lessee diligently pursues same).

(b) Lessee's assignment of the leasehold interest not otherwise permitted under this Lease shall constitute a default under this Lease if Lessee does not cure same within thirty (30) days after written notice from Lessor.

Notice of Election to Terminate Lessee's Possession

12.02 If any event creating default occurs, Lessor may elect to terminate Lessee's right of possession under this Lease. Upon termination, all of Lessee's rights, title, and interest in the Leased Premises shall expire completely and Lessee shall, within a reasonable time, quit and surrender the Leased Premises. Any Improvements erected on the subject leased premises shall revert back to the Lessor, however, Lessee shall have a reasonable time not to exceed ninety (90) days for removal of any such improvements or equipment and/or may leave the same for the benefit of Lessor, such to be determined at Lessee's option.

Lessor's Entry after Termination of Lessee's Possession

12.03 At any time after the termination of Lessee's right of possession under this Lease pursuant to Paragraph 11.02 or Paragraph 13.01 of this Lease, Lessor may enter and possess the Leased Premises and Improvements by summary proceedings, ejectment, or otherwise, and Lessor may remove Lessee and all other persons and property from the Leased Premises and Improvements. If Lessor takes the actions described in this Paragraph 11.03, Lessor may then possess the Leased Premises and Improvements and Lessor may also sell any of the Improvements.

Costs Incurred Due to Breach

12.04 Lessee expressly agrees to pay all reasonable expenses that Lessor actually incurs for reasonable attorneys' fees, and all other costs paid or incurred by Lessor for enforcing the terms and provisions of this Lease, restoring the Leased Premises and Improvements to good order and condition, and for maintaining the Leased Premises and Improvements.

ARTICLE 13. EXPIRATION OF TERM

Lessee's Delivery of Possession after Termination or Expiration

13.01 On the expiration date of this Lease as set forth in Paragraph 2.01 of this Lease, or the termination of Lessee's possession under this Lease pursuant to Paragraph 11.03, or any entry or possession of the Leased Premises and Improvements by Lessor pursuant to Paragraph 11.03 (collectively referred to as the "Expiration Date"), Lessee shall promptly quit and surrender the Leased Premises and Improvements, and deliver to Lessor actual possession and ownership of the Leased Premises, less improvements, which the Lessee shall have a right to remove pursuant to paragraph 12.02 but shall otherwise return the Leased Premises without improvements in good condition, wear and tear excepted.

ARTICLE 14. TERMINATION BY LESSOR

14.01 Intentionally omitted.

ARTICLE 15. GENERAL PROVISIONS

No Waiver of Breach by Lessor's Actions

15.01 The failure of Lessor to seek redress for violation of, or to insist on the strict performance of any covenant, agreement, term, provision, or condition of this Lease shall not constitute a waiver of the covenant, agreement, term, provision, or condition. The receipt by Lessor of rent with knowledge of the breach of any covenant, agreement, term, provision, or condition of this Lease shall not be deemed a waiver of that breach.

Waiver of Any Provision Must Be Written

15.02 No provision of this Lease shall be deemed to have been waived, unless the waiver is in writing and signed by the party against whom enforcement is sought. Each right and remedy of Lessor provided for in this Lease shall be cumulative and in addition to every other right or remedy provided for in this Lease, or now or later existing at law, in equity, by statute, or otherwise.

Entire Agreement

15.03 This Lease, any exhibits annexed to this Lease, and the Landfill Gas Rights Agreement contain the entire agreement between Lessor and Lessee, and any agreement made after the execution of this Lease between Lessor and Lessee shall be ineffective to change, modify, waive, release, discharge, terminate, or effect a surrender or abandonment of this Lease, in whole or in part, unless that agreement is in writing and signed by the party against whom enforcement is sought.

Notices

15.04 All notices and demands of any kind that either party may be required or may desire to give to the other in connection with this Lease must be given by registered or certified mail, return receipt requested, with postage fully prepaid, and addressed to the party to be served at the party's address as set forth below, or by reputable national overnight delivery service, or by email to the addresses provided below (and such email notice shall be deemed immediately effective so long as notice by other form permitted under this Section 15.04 is sent within two (2) business days thereafter). Any notice shall be deemed received on first attempted delivery. "AEP") and Baldwin County Commission (the "Commission")

Dear Mses. Underwood and Graham,

This letter will serve as a written modification to the Landfill Ground Lease Agreement ("Agreement"). Unless otherwise stated, the terms herein shall have the same meaning as in the Agreement. The parties understand and agree that, notwithstanding any term to the contrary, the Agreement, once approved and executed by the Baldwin County Commission ("BCC"), will not be effective, and neither party will have any obligations thereunder, unless and until AEP executes all written agreements necessary to proceed with (1) interconnecting the Processing Station with the Riviera Utilities pipeline, (2) interconnecting with British Petroleum lateral lines, and (3) compressing and piping Landfill Gas to a metering and pressure regulation station. If said written agreements are not in place within six (6) months of the BCC's execution of the Agreement, the Agreement shall be null and void without further action by either party thereto.

Sincerely,
