ITEM TITLE

Speed Limit Adjustment on County Road 99

STAFF RECOMMENDATION

Lower the speed limit on County Road 99 between U.S. Highway 98 and County Road 91 from 45 MPH to 35 MPH.

BACKGROUND INFORMATION

Background: In 2015, a 6-foot paved shoulder was added to the southbound lane of County Road 99 between U.S. Highway 98 and Spanish Cove Drive North. This paved shoulder is intended for non-vehicular use. In 2021, this 6-foot paved shoulder was extended from Spanish Cove Drive North to Carrier Drive. A final extension of this paved shoulder is currently in the design phase to add an 8-foot paved shoulder from Carrier Drive to County Road 91 with construction scheduled to begin in 2023. An engineering study was performed near Spanish Cove Drive North revealing the 85th percentile speed was 54 MPH and the average speed was 47 MPH with an Average Daily Traffic of 5,349 vehicles per day. County Road 99 is within the jurisdiction of the Baldwin County Sheriff's Office.

Previous Commission action/date: N/A

FINANCIAL IMPACT

Total cost of recommendation: N/A

Budget line item(s) to be used: N/A

If this is not a budgeted expenditure, does the recommendation create a need for funding?

N/A

LEGAL IMPACT

Is legal review necessary for this staff recommendation and related documents?

N/A

Reviewed/approved by: N/A

Additional comments: N/A

ADVERTISING REQUIREMENTS

..

Is advertising required for this recommendation? N/A

If the proof of publication affidavit is not attached, list the reason: N/A
