ITEM TITLE

Proclamation - Archives Month - October 2018

STAFF RECOMMENDATION

Adopt a proclamation which sets and proclaims October 2018, as Archives Month in Baldwin County, Alabama, and encourages the public to visit the archives facility in Bay Minette and other archives and museum throughout the area to discover their collections.

BACKGROUND INFORMATION

Previous Commission action/date: N

Background: October is American Archives Month, a celebration of archives and the work of archivists who collect, preserve and share the records of our past. Although we are sometimes overlooked, archives play an important role in preserving the American story. Like archivists everywhere, the staff of the Baldwin County Department of Archives and History work daily to maintain Baldwin County's history and make it available to the public.

In honor of this celebration, the Archives department invites the community to visit our facility to learn more about the profession and meet those who help preserve Baldwin County's story. We would also like to use this month to remind individuals who possess historical materials to properly care for them so that they may be of use to future generations. Finally, we encourage the public to visit other archives and museums throughout the area to discover their collections, as well.
