ITEM TITLE

Tyler Technologies - License and Service Agreement

STAFF RECOMMENDATION

Approve and authorize the Chairman to sign all documents related to the purchase and installation of Tyler software and related services through a Sourcewell contract, formerly known as National Joint Powers Alliance, for the amount of \$1,140,220.00 with an additional estimated travel cost of \$97,270.00. Invoicing for all fees are set forth in the Investment Summary per Tyler Technologies' Invoicing and Payment Policy attached in the License and Services Agreement. (Contract is effective upon full execution.)

BACKGROUND INFORMATION

Previous Commission action/date: Moved to Consent/05-14-2019

Background: During the May 14, 2019, work session, Tyler Technologies was presented to the Baldwin County Commission. Tyler Technologies provides local governments with innovative, fully integrated software and services to help them become more efficient, accessible, and responsive to the needs of the public.

The Software and related services will be purchased off the Sourcewell Joint Purchasing Contract. The Alabama Department of Public Accounts has stated in a letter to all public entities that based on their review of the competitive bidding process used by Sourcewell that all Alabama entities may use

the Sourcewell contracts as long as we verify whether or not the goods are either not at the time available on the state purchasing program or are available at a price equal to or less than that on the state purchasing program. The Purchasing Director has verified that the Software and related services are not available on the State of Alabama contract. Alabama Department of Public Examiners letters approving Baldwin County Commission to use Sourcewell and NJPA Contracts attached.
