## **BACKGROUND INFORMATION**

**Previous Commission action/date:** N/A

**Background:** The Facilities Maintenance Coordinator has requested that a competitive bid be placed for the labor and incidental materials for roof replacement on the Robertsdale Sheriff's Investigation building. Over the last several years every time it rains we have to do temporary roof repairs on the old metal roof. At this time, the leaking has not caused any major damage but if the roof is not replaced it could result in major damage to the inside of the building. The roofing materials needed for this project will be purchased off the U. S. Communities Joint Purchasing Contract in the amount of \$71,325.00 but not to exceed \$72,000.00. The additional cost will be for shipping when order is placed. The Alabama Department of Public Accounts has stated in a letter to all public entities that based on their review of the competitive bidding process used by U. S. Communities that all Alabama entities may use the U.S. Communities contract as long as we verify whether or not the goods are either not at the time available on the state purchasing program or are available at a price equal to or less than that on the state purchasing program. The Purchasing Director has verified that the roofing materials are not on the current State of Alabama contract.

The County will place a competitive bid for the labor needed to complete this project.
