ITEM TITLE

Request for Qualifications (RFQ) for Investment Grade Traffic Study for Baldwin Beach Express II from I-10 to I-65 for the Baldwin County Commission

STAFF RECOMMENDATION

Authorize staff to begin negotiations with **CDM Smith, Inc.**, so a final award recommendation can be made to the Baldwin County Commission for the Investment Grade Traffic Study for the Baldwin Beach Express II from I-10 to I-65 project.

BACKGROUND INFORMATION

Previous Commission action/date:

03/15/2022: Rejected the packet received on the Request for Qualifications (RFQ) for an Investment Grade Traffic Study for the Baldwin Beach Express II from I-10 to I-65 project.

10/19/2021: Approved the Purchasing Department and Highway Department to develop and advertise a "Request for Qualifications" (RFQ) for a Traffic Study for design services for an investment grade traffic study for the Baldwin Beach Express II from I-10 to I-65 project.

Background: County staff advertised the RFQ for the Investment Grade Traffic Study for the Baldwin Beach Express II from I-10 to I-65. Three (3) packages were received on April 27, 2022, at 2:00 P.M. The qualification packages were reviewed by Joey Nunnally, County Engineer, Seth

Peterson, Pre-Construction Manager, Wanda Gautney, Purchasing Director, and Alfreda Jeffords, Permit/Subdivision Manager. After reviewing all three (3) firm's submittals, the evaluation committee feels that CDM Smith, Inc., meets the requirements for this project. Staff recommends the Commission authorize staff to begin negotiations with CDM Smith, Inc., so a final award recommendation can be made to the Commission in regard to the selection of a firm to provide the traffic study for the Baldwin Beach Express II from I-10 to I-65.
