#### General Background:

Baldwin County Commission Policy #2.9 provides that, in December of each year, the County Administrator shall present a current list of employees who drive County owned vehicles assigned to the Baldwin County Commission. The County Administrator has collected data on all vehicles assigned to Department Directors, Elected Officials and Staff. These vehicles are further defined by

the number of vehicles driven home (and by whom) for the Baldwin County Commission to review and approve. If changes occur during the year, staff brings the revised list to the Baldwin County Commission to review and approve.
