5) Submit to ADEM documentation for disposal or offerings for beneficial use for all collected material (i.e. landfill disposal receipts, end-user agreements/manifests).

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: In 2008, ADEM directed solid waste landfills to collect and furnish to ADEM a $1.00

per ton fee that will provide funding for, among other things, scrap tire and illegal dump remediation as well as litter cleanup. Currently, the Baldwin County Solid Waste Department's Litter Patrol Program collects tires and other waste materials from roadsides in Baldwin County, funded by the solid waste fund. The Contractual Agreement between the Baldwin County Commission and ADEM under consideration by this agenda action will enable the Baldwin County Solid Waste Department to realize a revenue source of $150,000.00 over a three-year period. Associated revenues will act as an offset of costs associated with the Litter Patrol Program. The current agreement with ADEM expires September 30, 2018.
