Background: During the December 5, 2017 meeting, the Commission approved and executed a Contract with Amec Foster Wheeler Environmental & Infrastructure, Inc., in the amount of \$24,700.00 to provide consulting services for the Flood Hazard Management Plan. The Purchasing Director received notice on May 23, 2018 that Amec Foster Wheeler Environmental & Infrastructure, Inc., had changed its name to Wood Environment & Infrastructure Solutions, Inc. This is a name change only. Their Federal Tax ID number (FEIN), Dun & Bradstreet number (DUNS), and along with their invoice payment address will remain the same. Wood Environment & Infrastructure Solutions, Inc., has submitted an Amendment to the Contract reflecting the name change only to the Contract. The work began on this project in early January, 2018.

This is a grant from the Alabama Emergency Management Agency in a 75/25 match. Federal funds in the amount of \$24,999.99, were awarded to the County Commission with a local match of \$8,333.33 which will be met by local in-kind services from the County.
