Case No. Z-18022 - The Reserve at Daphne Rezoning

STAFF RECOMMENDATION

Adopt Resolution Number 2018-081 which Approves Case No. Z-18022 as it pertains to the rezoning of approximately 309 acres, located in Planning (Zoning) Districts Number 15 and Number 28, from RA, Rural Agricultural District, to RSF-2, Single Family District.

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: The proposed development is to be known as the Reserve at Daphne, and if approved would consist of 618 lots. Two applications, a request for rezoning (Case No. Z-18022) and a request for Planned Residential Development (PRD) site plan approval (Case No. Z-18023), have been submitted. The subject properties encompass approximately 470 acres and are in Planning Districts 15, 28 and 7. The properties located in Planning Districts 15 and 28 include approximately 309 acres which are currently zoned RA, Rural Agricultural District. They are subject to the request for rezoning to RSF-2, Single Family District, and to the request for PRD site plan approval. The properties located in Planning District 7, approximately 161 acres, are unzoned. These properties will only be subject to the PRD application. The information for PRD site plan

approval is included with a separate agenda item.

The Planning Commission considered this request on May 3, 2018, and voted to recommend APPROVAL to the County Commission.
