## **BACKGROUND INFORMATION**

Previous Commission action/date: N/A

**Background:** The Bay Minette Custodial Department needs vehicles that can be used by staff to travel to various County buildings during working hours. Building Maintenance and the Health Department (Animal Shelter) have two (2) vehicles that are no longer in use. The Facilities Coordinator is currently driving a truck that was purchased by the Bay Minette Custodial Department that needs to be transferred to his department so the expenses will be charged to his cost center. Recommend the Commission approve the transfers at no cost and authorize the Chairman to execute the fixed asset forms.
