ITEM TITLE

Use of Baldwin County Coliseum as a Special Needs Shelter for Hurricane Michael Evacuees

STAFF RECOMMENDATION

Rescind the actions taken by the Baldwin County Commission, during its October 11, 2018, Emergency Special Meeting which approved the following:

“Authorize the continued operation of the Baldwin County Coliseum as a shelter to assist Hurricane Michael evacuees with special needs.”

and

“Authorize staff to handle anything else that is needed, for the funding to come from the Commission Emergency Fund and have the Baldwin County Coliseum open from October 9, 2018 through November 13, 2014.”

BACKGROUND INFORMATION

Previous Commission action/date: October 11, 2018, Baldwin County Commission Emergency Special Meeting

Background: In the immediate aftermath of Hurricane Michael that devastated areas of the Florida

panhandle, Baldwin County Emergency Management Agency (EMA) received a request to house 120 special needs residents and caregivers from an assisted living facility out of Okaloosa, Florida. The Commission took action during its October 11, 2018, Emergency Special Meeting to accommodate the request by continuing to the operation of the Baldwin County Coliseum as a shelter until November 13, 2018. Baldwin County EMA staff was notified by the State of Alabama Emergency Management Agency (AEMA) on October 12, 2018, that the Coliseum was no longer needed as a shelter. Preparations for shelter opening had begun at that time, but no residents were transported to the shelter.
