ITEM TITLE

Request for the Use of the Baldwin County Central Annex Auditorium for Baldwin County Veterans Court Graduation

STAFF RECOMMENDATION

Approve the request of the Honorable Michelle Thomason, Presiding District Court Judge, to use the Baldwin County Central Annex Auditorium on February 19, 2019, beginning at 6:00 p.m., for the Veterans Court Graduation

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: Commission staff received a request on January 8, 2019, from the Honorable Michelle Thomason, Presiding District Court Judge, to use the Baldwin County Central Annex Auditorium on February 19, 2019, for the Veterans Court Graduation, beginning at 6:00 p.m. Approximately 40-80 people are expected to be in attendance. Due to the event being held after the facility's hours of operation and the need for assistance from the CIS department, this will require overtime for Baldwin County Commission staff.

The Baldwin County Veterans Court Program is only for men and women who are currently serving or who have previously served in the Armed Forces of the United States, including service in the Army, Navy, Air Force, Marines, Coast Guard, National Guard and Reserve. The Veterans Court is a court-

supervised program coupled with intensive treatment and supervision for criminal offenders. The program is designed specifically for persons who have criminal charges pending, and those charges are likely related to substance abuse or mental health issues.

The Veterans Court Program is a voluntary program which includes regular court appearances before the designated Veterans Court judge and involves drug and alcohol treatment, random drug testing, support group meetings, vocational or job counseling, educational classes and community supervision. The Veterans Court program has three phases and those in the program must complete all phases successfully to graduate. The program requires a minimum of 12 months participation.

Successful completion and graduation from the program diverts participants from jail. Eligibility for graduation is determined by the judge, the court team, probation and treatment. Participants are eligible when all treatment and program requirements are met. Graduation requirements include no missed, abnormal or positive drug tests for six months, being employed or attending school full time or being exempted, having a high school diploma or receiving a GED, completing the treatment and case management plan, payment in full of Veterans Court Program fees and completing volunteer requirements.
