### BACKGROUND INFORMATION

**Previous Commission action/date:** N/A

**Background:** Section 40-9B-1, et seq., Code of Alabama 1975, or what is commonly referred to as the "Tax Incentive Reform Act of 1992," authorizes certain entities to grant Tax Abatements in their respective effort to attract new industries and encourage existing industries to expand their pursuits in their varied jurisdictions.

Section 40-9B-5, Code of Alabama 1975, which is entitled "Granting of Abatement," provides: "(d) Any abatement of county taxes granted by a municipality or municipal industrial authority shall not be valid until the expiration of (1) 10 days following the date of physical delivery to the county commission or (2) 13 days following the date of mailing by certified mail to the county commission of a copy of the resolution granting such abatement. Proof of delivery by affidavit of service, in the case of physical delivery, or by certified mail receipt, in the case of mailing by certified mail, shall be furnished to the Department of Revenue at the same time as the filing of the abatement agreement under Section 40-9B-6. If the procedures herein prescribed are followed, any such abatement shall be effective as of the date granted."

Staff requests the County Commission acknowledge receipt of the Resolution by Bay Minette Industrial Development Board, granting the above referenced Tax Abatement and, further, forward to the Office of Revenue Commissioner of Baldwin County and Office of Judge of Probate of Baldwin County the Resolution and associated attachments informing the Baldwin County Commission of the aforementioned grant of such Tax Abatement.
