ITEM TITLE

Case No. Z-19015 - Stimpson Property - Rezoning Request

STAFF RECOMMENDATION

Accept the request of the applicant to withdraw Case Z-19015.

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: The subject property, which consists of approximately 1.06 acres, is currently zoned RSF-1, Single Family District. The designation of RSF-2 was requested in order to allow for the parcel to be subdivided into two (2) single family lots.

The Planning Commission considered this request on May 2, 2019, and voted to recommend approval to the County Commission. However, the applicant has informed staff that he does not wish to move forward. According, to the zoning ordinance, an application for rezoning may be withdrawn at least seven (7) days prior to the scheduled public hearing. In the case at hand, the request to withdraw is automatic. However, the public hearing scheduled for June 18, 2019, has already been advertised and must therefore be opened. As a result, staff recommends that the applicant's request to withdraw Case Z-19015 be accepted.
