BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: On August 5, 2019, Commission staff received correspondence from Mobile Infirmary Association, Inc., d/b/a Mobile Infirmary Medical Center requesting the Baldwin County Commission to approve a Memorandum of Understanding for the federally created drug discount program referred to as the 340B Program, which provides care to low-income individuals who do not qualify for Medicaid or Medicare.

In order for the hospital to be eligible to participate in the 340B Program, federal law requires that a private non-profit hospital have a contract with state or local government. The MOU should satisfy
