ITEM TITLE

Proclamation - Archives Month - October 2019

STAFF RECOMMENDATION

Adopt a Proclamation which proclaims October 2019 as "Archives Month" in Baldwin County, Alabama, and encourages the public to visit the archives facility in Bay Minette and other archives and museums throughout the area to discover their collections.

BACKGROUND INFORMATION

Previous Commission action/date: October 2018

Background: Each October the Society of American Archives, the Council of State Archivist, and individual archives around the country celebrate Archives Month. This is a celebration of archives and the work of archivists who collect, preserve, care for and make accessible records and information of importance. Although, the profession is sometimes overlooked, archives play an important role in preserving the American story. Like archivist everywhere, staff of the Baldwin County Department of Archives and History work daily to maintain Baldwin County's history and make it available to the public.

In honor of this celebration, staff invites the community to visit the facility to learn more about the profession and meet those who help preserve Baldwin County's story. Staff would also like to use this month to remind individuals who possess historical materials to properly care for them so that

they may be of use to future generations. Finally, staff encourages the public to visit other archives and museums throughout the area to discover their collections, as well.

Ms. Felisha Anderson, Archives Director will be in attendance to accept the proclamation.
