Background:

PREVIOUS COMMISSION ACTION:

September 18, 2019, BCC Regular Meeting

Approve the Memorandum of Understanding between the Baldwin County Commission, Baldwin County Sheriff's Office, Baldwin County Public Schools (Baldwin County Board of Education) and certain municipalities/police departments in Baldwin County, Alabama, which outlines the purpose, goals, objectives and procedures for the administration of the School Resource Officer Program within each respective municipality.

This Memorandum of Understanding shall be effective as of August 15, 2018, and shall remain in effect for a period of two (2) years from the effective date, unless any party elects to terminate the MOU by giving one hundred eighty (180) days written notice of such termination to the other parties. This Memorandum of Understanding shall be reviewed annually and may be amended by the written agreement of the parties.

GENERAL BACKGROUND INFORMATION:

The Baldwin County Commission (BCC), Baldwin County Sheriff's Office (BCSO), Baldwin County Public School System (BCPS) and certain Baldwin County municipalities have agreed to work together to provide assistance in the establishment of School Resource Officer (SRO) Programs at the public schools within Baldwin County. The Municipality and the BCPS will provide funding and personnel for the SRO Program within the Municipality and the BCSO and BCC will provide administrative assistance for the SRO Program within the Municipality pursuant to the MOU.

The SROs perform three different roles while operating inside public schools. They perform the duties of an APOST certified law enforcement officer, an informal counselor, and an instructor of law related and safety classes. The School Resource Officer Program involves the assignment of a police officer to a public school as an SRO.

At this time, funding increases have been approved by the Board of Education for the Fairhope, Orange Beach and Elberta schools to add an additional SRO to each municipality.
