ITEM TITLE

STAFF RECOMMENDATION

For discussion - Approve and authorize the Chairman to execute the necessary documents with CINTAS related to Automated External Defibrillators (AEDs) for County buildings.

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: During the October 8, 2019, Work Session, adding AEDs to County buildings was discussed. The Risk Manager and Safety Coordinator met with the departments and inspected sites and determined the number of AEDs that need to be rented. Cintas quoted a lease price of \$89.00 per month/per AED for 31 AEDs (\$33,108.00 annually). After further research, it was determined that it is more cost effective to purchase the AEDs for \$52,574.45, and pay an annual fee for service maintenance.
