ITEM TITLE

Case Z-19051 - Crowe Property Rezoning Request

STAFF RECOMMENDATION

Adopt Resolution #2020-042, which APPROVES Case Z-19051, Crowe Property, as it pertains to the rezoning of approximately 3.46 acres, located in Planning (Zoning) District 22, from RSF-1, Single Family District, to RSF-2, Single Family District, and RTF-4, Single Family District.

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: This request involves three parcels. The properties in question are currently zoned RSF-1, Single Family District. The first parcel (05-52-22-0-000-11.000), which consists of approximately 2.56 acres, is located on the north side of Collier Road. It is the site for three duplex structures, three single family dwellings and a barn. Under this proposal, the center and eastern portions of the parcel would be rezoned to RTF-4, Two Family District. The western 139-feet would remain RSF-1. The second and third parcels (05-52-05-22-0-000-013.008 and 05-52-05-22-0-000-013.009) are located on the south side of Collier Road. Each parcel is the site for two single family dwellings (manufactured homes), and both would be rezoned to RSF-2, Single Family District. According to the applicant, the purpose of this rezoning request is to address conformity issues and

allow individual dwelling units to be sold. No additional units are proposed.

The Planning Commission considered this request on December 5, 2019, and voted to recommend APPROVAL to the County Commission.
