ITEM TITLE

*Case No. Z-20009 - Hrabovsky Property Rezoning

STAFF RECOMMENDATION

Adopt Resolution #2020-104, which approves Case No. Z-20009 - Hrabovsky Property, as it pertains to the rezoning of approximately 23 acres, located in Planning (Zoning) District 15, from RSF-4, Single Family District, to RSF-E, Residential Single Family Estate District.

BACKGROUND INFORMATION

Previous Commission action/date: Resolution #2009-120, August 18, 2009

Background: The subject property, which consists of approximately 23 acres, is currently zoned RSF-4, Single Family District. The designation of RSF-E, Residential Single Family Estate District, has been requested. According to the information provided, the purpose of this application is to use the land as a family farm. Plans include construction of a dwelling, growing various trees and plants, and raising poultry and possibly other livestock. The majority of the property will continue to be used for timber growth. A rezoning of this type is considered a down zoning due to the fact that the request designation would be more restrictive than the current designation.

The Planning Commission considered this request on July 9, 2020 and voted to recommend approval

to the County Commission. Letters of opposition from concerned residents are contained within the body of the staff report.
